## ASSISTED LIVING

### Senior Suites of New Brighton

is part of the New Brighton Care Center campus. The Senior Suites are distinct from the skilled nursing facility, yet clients have the security of knowing that emergencies are responded to by using the in-apartment wireless pendant and pull cord call systems. The facility staffs 24 hours per day, 365 days a year with licensed nursing staff.

The Senior Suites are licensed as a Housing with Services and Assisted Living provider by the state of Minnesota. The Senior Suites are private pay and do not participate in the Elderly Waiver program.

The apartments and services cater to a senior population who no longer can live totally independent but are not yet in need of skilled nursing care services.

Large handicap bathrooms with shower, heat lamps, bench and grab bars are included in each apartment.

CARE CENTER

## WHERE EXPERIENCE COUNTS

### *New Brighton Care Center*

has been family owned and operated since 1964, providing the community with quality care in a homelike atmosphere.

New Brighton Care Center is a 64 bed, Short-Term Transitional Care/ Long-Term Care facility. We are Medicare and Medicaid certified.

The building has patient wander and fire protection systems to afford that extra level of security to our residents.

Our smaller size enables us to offer quality personalized care. Licensed nursing care is provided 24 hours a day with high nursing staff ratio, using no nursing pools.

Our goal is to work closely with families, physicians and our professional staff to meet all special health needs.

## SHORT-TERM TRANSITIONAL CARE

New Brighton Care Center offers intense rehabilitation services to those needing restorative care after surgery or injury.

New Brighton Care Center has In-Patient Occupational, Physical and Speech Therapy services. These programs are provided for appropriate individuals to promote safety, independence and to restore physical strength so patients can go back home.

New Brighton Care Center offers private rooms that include:

Television with cable service  
Recliner  
Telephone  
Electric Bed

The private rooms also include nurse call systems, large private bathrooms, oak armoire and dresser. There is an additional daily charge for a private room. Please check with Social Services for current rates.

## LONG-TERM CARE

New Brighton Care Center provides a variety of services which help meet both the medical and non-medical needs of people with a chronic illness or disability who can no longer care for themselves for long periods of time.

Long-term care provides custodial and non-skilled care, such as assisting with normal daily tasks like dressing, bathing, and using the bathroom. Long-term care also includes skilled medical care such as Diabetes monitoring, IV therapy, Hospice, Audiology, Ophthalmology, Podiatry, Dental Care and other specialized services to meet the needs of our residents.

Emotional, financial, psych-social and spiritual needs are addressed by Social Services, Administration, Therapeutic Recreation and the various visiting clergy. New Brighton Care Center also has a Resident E-Mail system available via our website, for family and friends to stay in touch and send fast personalized letters.

New Brighton Care Center has both private and double occupancy rooms available for long-term care patients. There is an additional charge for a private room, please check with Social Services for current rates.
